Subject: Combined Sewer System Stakeholder Group Meeting

Doug –

I just wanted to let you know that the next CSS Stakeholder Group meeting will be Thursday January 7, 2016 at 7pm at City Hall Sister Cities Conference Room 1101. I'll also be in touch soon (next 1-2 weeks) about setting up a meeting at your office to provide an update on where the City is with regards to its Long Term Control Plan efforts.

Thanks!
